SUMMARY

Computer Science graduate with a strong foundation in software development. Eager to apply coding skills, learn quickly, and contribute to high-quality software delivery in Agile environments.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science Engineering
School Of Engineering (CUSAT) 2021 - 2024

Diploma in Civil Engineering
Govt Polytechnic College, Kothamangalam 2018 - 2021

EXPERIENCE

Developer Intern August 2024 - September 2024
Techmaghi (KSUM)

- Developed proficiency in JavaScript and the MERN stack, with hands-on experience in web development and educational content management for ed-tech solutions.
- Collaborated with cross-functional teams to deliver workshops, internships, and B2B classes, supporting business development and ensuring seamless execution of educational programs.

Frontend Developer Intern July 2023
NIMBUSio (CITTIC)

- Contributed to the development of an IoT system by interpreting application requirements, developing components, and adhering to Agile processes. Participated in daily stand-up meetings and demonstrated adherence to project timelines.

PROJECTS

ONDC :- Open Network for Digital Commerce April - 2024

- Developed a digital marketplace platform for traditional food manufacturers as a Frontend Developer, utilizing HTML/CSS and Javascript to enhance user experience and engagement through interactive web applications.

IoT-based Smart Factory Automation System July - 2023

- Designed a real-time, responsive monitoring dashboard for an IoT system using React.js, collaborating with UI/UX designers to enhance usability and user experience through Agile methodology.

CUSAT Hostel Management System May - 2023

- Developed a dynamic hostel management platform with a responsive UI as a Frontend Developer with HTML, CSS, and JavaScript to automate attendance tracking and mess billing, notifications and financial management

SKILLS

Technical Skills : HTML/CSS, Javascript, Python, Java, MongoDB, Express.js, React.js, Node.js, SQL
Soft Skills : Leadership, Communication, Team Collaboration, Adaptability,, Problem-Solving

ACTIVITIES

- **DHISHNA TECHFEST 2023 - Ambience Team Lead, CUSAT**
- **TEDxCUSAT - 2023 - Ambience Team Lead.**
- **SEDS CUSAT - Space Up - 2023 - Volunteer**.
